Office, Administration & SocialMedia

We are interested in you working well organized and independently out of our office so people can approach you in person inbetween our opening hours and as well online through our webpage, email and facebook.

Car Detailing & Cleaning Service

If you like it when your family car is clean and shiny, you find joy in the tidy interior of it and have the know-how or would like to improve your skills, then why not share it with others from the community through our car detailing service and ...get paid for it.

Welcoming Agent & Driver Service

We give people support in their arrival/departure to a new destination in the best manner and with the service they deserve. Imagine, you could be the first person from our tri-border community that new members meet and you make their first impression the best they could wish and ask for.
